I. Introduction

As part of the promotional activities approved by the Council of Members of the International Olive Council (IOC), the Executive Secretariat (ES) has made provision for grants aimed at financing national programmes to promote the local consumption of olive oil and table olives in its Member countries. These may be annual or multiannual programmes lasting up to four years.

Proposals (including annexes and supporting documents) must be submitted by 1 September 2024, electronically only, using the form available [here](#).

The guide at hand has been drawn up to help applicants complete the form and resolve any problems they may encounter. Applicants can also contact the IOC by e-mail if they have any questions about submitting their grant applications through the following address: prom@iocorg.org.

Please note that the form cannot be submitted unless it has been correctly completed. Moreover, also note that headings/sections marked with an asterisk are mandatory.
